BUILDING SIGNS

Building Signs

Albert Smith Signs design, manufacture, install, and maintain a range of signage to suit both external and internal building usages, from a simple light box to an iconic landmark.

We utilise energy efficient LED illumination to create signage that literally lights up your business, generating attention and communicating your message 24 hours a day.

At Albert Smith Signs, we offer a variety of building signage including:

- **Fascia Signage**
 - Vertical signage, usually just below the building's roofline, used to attract attention and recognition to your business
 - A popular business signage choice that is highly visible and can be customised to your brand's unique needs.
- **Wall Mounted**
 - Signage fitted to a wall, rather than suspended or hanging
 - Ideal for displaying store/business information and promotional material
 - An affordable and effective signage solution
 - Able to be manufactured in a variety of designs, shapes, and sizes.

- **Architectural Signage**

- Unique/custom-made signage
- An ideal way to really stand out from the crowd and turn your challenging signage vision into reality.

- **Fabricated Lettering**

- The forming of the 3 dimensional characteristic of a letter of shape
- In a range of styles and materials, for a visually compelling signage solution.

Our **professionally** designed, manufactured, and installed **building signs** ensure your internal and external signage and branding is both **highly visible** and provides a **strong identity and image** to your business.

At **Albert Smith Signs**, our aim is to get you noticed. We deliver on all your building sign requirements.

Building signs can vary greatly in **size, material, and style**, from a subtle entrance sign to a large illuminated company logo. We will work with you to determine **the right signage** to suit **your business and brand**.

At **Albert Smith Signs**, we provide all our signage services to the **highest standards** to meet and exceed customer expectations.
